

VERDEPLAY

Verde
SPORTS LIMITED
Artificial Grass & Sports Surfaces

A 9.5mm needle-punched polypropylene carpet with a loop pile supplied in a wide range of colours for multi-purpose indoor and outdoor applications.

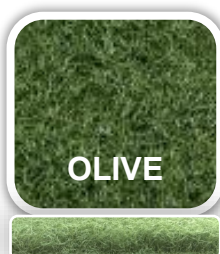

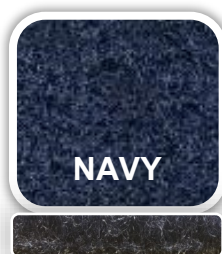

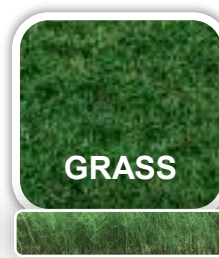

Not only is VerdePlay 100% UV and colour stabilised, it has also been treated with a special permafresh non-toxic integral agent, which remains with the carpet for its total life.

This will provide permanent and hygienic odour control whilst ensuring freedom from bacteria and mould.

Supplied in rolls 2.00m wide by your required length
